PROFESSIONAL EXPERIENCE

Maintenance Bricklayer (Kundenmaurer) – Kunz AG, Ermatingen

01.09.2025 – 30.09.2026

Independent execution of renovation, remodeling, and maintenance services in structural engineering directly for residential and commercial clients. Performing plastering, drywalling, tiling, demolition, and partitioning wall construction, as well as concrete remediation. Providing on-site customer consultation, material procurement, and workflow organization.

Maintenance Bricklayer / IT Repairs (Self-employed) – Primetech, Steckborn

01.05.2022 – 01.09.2025

Planning and executing flexible maintenance bricklaying and renovation contracts. Performing masonry repairs, plastering, and structural alterations for private and corporate clients. Strong focus on customer-oriented service, independent material procurement, and quality control.

Foreman Plasterer (Vorarbeiter Gipser) – GipserArt GmbH, Diessenhofen

02.09.2021 – 31.03.2023

Leading plastering operations across various construction sites. Organizing daily workflows, monitoring quality, supervising the team, and coordinating directly with site management. Specializing in high-end plastering, drywalling, and joint filling/skimming..

Security Officer (Mitarbeiter Sicherheit) – Alpha Protect AG, Illnau-Effretikon

15.11.2016 – 31.01.2021

Responsible security operative working exclusively on night shifts. In charge of alarm response duties (First Responder for break-ins and alarm activations). Leading and coordinating a team of 6 patrol officers, with overall operational responsibility for the security of designated facilities during night hours.
