PROFESSIONAL EXPERIENCE

Maintenance Bricklayer (Kundenmaurer) – Kunz AG, Ermatingen **01.09.2025 – 30.09.2026**

Independent execution of renovation, remodeling, and maintenance services in structural engineering directly for residential and commercial clients. Performing plastering, drywalling, tiling, demolition, and partitioning wall construction, as well as concrete remediation. Providing on-site customer consultation, material procurement, and workflow organization.

Maintenance Bricklayer / IT Repairs (Self-employed) – Primetech, Steckborn **01.05.2022 – 01.09.2025**

Planning and executing flexible maintenance bricklaying and renovation contracts. Performing masonry repairs, plastering, and structural alterations for private and corporate clients. Strong focus on customer-oriented service, independent material procurement, and quality control.

Foreman Plasterer (Vorarbeiter Gipser) – GipserArt GmbH, Diessenhofen **02.09.2021 – 31.03.2023**

Leading plastering operations across various construction sites. Organizing daily workflows, monitoring quality, supervising the team, and coordinating directly with site management. Specializing in high-end plastering, drywalling, and joint filling/skimming..

Security Officer (Mitarbeiter Sicherheit) – Alpha Protect AG, Illnau-Effretikon **15.11.2016 – 31.01.2021**

Responsible security operative working exclusively on night shifts. In charge of alarm response duties (First Responder for break-ins and alarm activations). Leading and coordinating a team of 6 patrol officers, with overall operational responsibility for the security of designated facilities during night hours.
